ALTOBRILLO COLLECTION STORY

AltoBrillo, meaning "elevated brightness", is a collection that showcases the most lustrous designs in the tile world with radiating brilliance.

Inspired by nature's lustre as well as high fashion & art, the AltoBrillo Collection epitomizes sophistication and luxury. These high gloss tiles use Italian glazes and are polished with a specialized chemical to reflect light with unparalleled sheen, creating an ambiance of opulence and refinement.

Whether adorning a grand foyer or enhancing a sleek kitchen, AltoBrillo tiles elevate any space with their luxurious allure. Engineered for durability, AltoBrillo tiles are effortless to maintain offering a seamless blend of practicality and indulgence. From home renovations to commercial projects, with its dynamic designs, decor, and special colors, AltoBrillo sets the standard for sophistication, elevating every endeavour to new heights of luxury.

HIGH GLOSS SURFACE

AltoBrillo Collection's high gloss surface is polished twice for maximum sheen. After the first polish, a second polish with nano chemicals and a thicker glaze layer is done to obtain a gloss value of over 98 for a brilliantly reflective surface. The smooth and uniform surface provides consistency throughout the ambience, enhancing the clarity and depth of colours while showcasing vibrant hues and intricate patterns with precision.
